Paybacks

Through our affiliation with Skeeter, Yamaha and all the other great National Sponsors, our overall payback will be well over 100% in cash and prizes. No other circuit can match what we will offer for just a \$25.00 early membership. Other circuits have claimed higher ramp payback, but hit you with outrageous membership fees and charge for classics. We don't play these number games – we just deliver the best value in bass fishing.

Angler of the Year Awards

NBAA sponsors have stepped up in a huge way this year and are offering great contingency awards by supporting sponsor products. You could win more than **\$10,000.00 in Angler of the Year Awards**. For example, Skeeter will offer a **\$1500.00 certificate** to the Angler accumulating the most points while owning a Skeeter. We have at least six other sponsors on board, including Auto Value, Deka, Aqua View, Yamaha, Minn Kota and more – keep checking the website for updates. We expect to pay back over \$10,000 in prizes.

\$2500.00 Super Big Bass Challenge

NBAA will track all Big Bass winners in each of the divisional tournaments in 2005. Each time you catch a Big Bass your name will be entered into the Super Big Bass Challenge and a chance to **win a minimum \$2500.00** prize. We expect to pay back over **\$5000.00 in cash and prizes** in this season long bonus program. This will be a drawing, so any big bass can win!
